Immigration Trends

1C "Rethinking Immigration" event in Chaska, MN Andi Egbert, Assistant Director | November 2016

Key considerations when thinking about immigrants in MN

- We are (nearly) all immigrants
- Immigrants have significant positive economic impact in Minnesota
- Demographics (especially aging) of our population will increase labor shortages
 - Immigrants are an essential part of the solution
- Populations of color (including immigrants and their children) are revitalizing many communities, driving population growth statewide
